FOR IMMEDIATE RELEASE

**AVNETMEDIA** – As independent journalist marketers, publishers announces new email upgrades to our publishing marketing capabilities.

**Email Targeted Marketing Introductory offer!**

For a limited time we offer the first 30 days at no cost. After the first 30 days you agree to a \$25.00 per month with the following agreement:

The agreement includes message numbers for a total of messages per month. Our numbers are approximate given technical constraints and varying list sizes. We do not charge a cost per message, we agree on a monthly basis.

**What we do**

- Targeted media campaigns R us. We build businesses, enhance the posterity of our liberty, property, homes and families through targeted media campaigns, through the exercise of our 1<sup>st</sup> Amendment and Bill of Rights. . Targeted Email Marketing Campaigns, to your geographic or market sector.

**How we work**

We take your content, set up the message and optimize for SEO and initiate the send.

1. Compose and email us your message – typically 200 – 400 words, in MS Word.
2. Include your graphics.
3. Provide details of your geographic area or market sector
4. Email to [info@AVNetmedia.net](mailto:info@AVNetmedia.net)

## Geo Targeting

- We target specific geographic regions of most places on earth, according to customer request.

## We target Market and government sectors

- We target government and market sectors per customer request. A few examples are the Veterans Administration to promote helps for our Veterans, transportation including trucking, automobiles, Real Estate and Colleges and Universities. Your requested list can include business, government, education based on geographic definitions as well.

## What Makes us Different?

- AVNetmedia sets itself apart from our competition by creating targeted lists to reach decision makers, per customer requests. Typically our list size averages 5,000 to 10,000 we create in approximately 24 to 48 hours.

## We create targeted email campaigns to specific market sectors or geographic localities.

- We have many lists already created so you can leverage our already created lists – ideal for business and political campaigns. Our unique ability includes approximately 50,000 *targeted Can-Spam compliant* messages per day. Our messaging capabilities for publishing & marketing such needs as:

## A sample of our approximately 1200 lists include:

- Nationwide Major Media companies ~ 20,000
- State Governments ~ all 50 state legislators 20,000
- Transportation – trucking, freight, auto sales.
- Florida Business ~ 20,000
- Major Colleges and Universities nationwide – ~ 200,000.
